Dear Rancho Cucamonga Resident:

Shopping for products and services in Rancho Cucamonga has never been more convenient, or more exciting, than it is today. Hundreds of new stores, restaurants, and service providers have joined the Rancho Cucamonga business community, offering savvy shoppers the high quality and competitive pricing that they expect.

Selection and convenience, however, are just the beginning. That's because when you "Shop Rancho," every dollar that you spend returns one cent to the City in the form of sales tax revenue. This revenue directly supports local services such as public safety, recreation and cultural programs, library activities, and community improvements. Rancho Cucamonga's ranking as one of the best places to live in the United States by Money Magazine, is a clear illustration of how your sales tax dollars benefit our City.

In addition to directly supporting the community, your patronage of local businesses also helps provide for youth athletic sponsorships, academic scholarships, school booster clubs, school-to-career partnerships, and more!

We know that you'll find your new "Shop Rancho" guide to be a valuable reference tool, and we encourage you to keep it handy and use it often when shopping or searching for those special items.

The City of Rancho Cucamonga depends on its businesses to help ensure the wonderful quality of life that we all enjoy, and local businesses depend on you. If you've ever wondered how you can make a difference in your community, the answer is simple... "SHOP RANCHO!"

Sincerely,
The City Council

Dear Residents:

There are 69 shopping complexes within the City of Rancho Cucamonga that offer you more variety, convenience, choice, and value-right in your own back yard. No matter what product or service you're looking for, Rancho Cucamonga has it all, at some of the most competitive prices in the Inland Valley. When you "Shop Rancho," every dollar spent returns one cent in sales tax to the City's general fund, resulting in an influx of revenue by which our City operates. Your sales tax revenue directly supports Rancho Cucamonga City services such as, police and public safety, park maintenance, community planning, and redevelopment.

Rancho Cucamonga's ranking as one of the best places to live in the United States, is a clear illustration of how your sales tax dollars benefit our City. Shopping in Rancho Cucamonga has a definite impact on our community's outstanding parks and recreation, residential neighborhoods, public library, Performing Arts Center, street maintenance, and public safety.

In addition, the business you give Rancho Cucamonga merchants pays off in other activities, such as youth athletic sponsorships, academic scholarships, support to school booster clubs, school-to-career partnerships, and much more!

We ask that you keep your "Shop Rancho" guide handy, and refer to it often when shopping or searching for that special item. The sales tax dollars from these merchants help support the services that make Rancho Cucamonga a world-class city.

If you've wondered how you could personally help maintain our City's high standard of community programs and services, the answer is simple – "SHOP RANCHO!"

Sincerely,

Mike Gaumer, Chairman

Victoria Gardens - The Inland Empire's premier shopping, dining and entertainment destination, celebrated its second anniversary on October 28, 2006. The Main Street shopping district features more than 30 buildings in a 12-city block village nestled within eight streets -- all designed to recapture the ambiance of downtown shopping. Set against the backdrop of the San Bernardino Mountains, Victoria Gardens includes parks, plazas, paseos and additional open space alongside the area's most upscale retailers and restaurants. Plus, guests will find a 12-screen cinema, professional offices and the Victoria Gardens Cultural Center, comprised of the Lewis Family

Playhouse, Celebration Hall and the Victoria Gardens Public Library. Bass Pro Shops Outdoor World will open its first California location at Victoria Gardens in summer 2007 joining anchors Macy's and JC Penney.

This holiday season is the perfect time to visit Victoria Gardens. Besides the great shops and restaurants, guests may marvel at the lighting of a 60-foot holiday tree adorned with thousands of bows, lights and ornaments. Children may have their photo taken with Santa and magical snow will flurry through Chaffey Town Square nightly. And gift-giving is made easy with the Victoria Gardens Gift Card. Haandi

He has done it again. Rancho Cucamonga's small 'Business Man of the Year 2004' Sartaj Singh, owner of Antonino's fine Italian restaurant has found another way to taunt and tease the pallet. Experience the finer taste of Indian at Haandi. From its buffet style lunches to specially prepared fine Indian cuisine for dinner. The aroma is sure to tease. The taste is sure to satisfy. And Singh's personal touch creates an atmosphere like home. It's always unexpected. 7890 Haven Avenue, Ste #15/#16, Rancho Cucamonga, (909) 581-1951

Joseph Filippi Winery-Cucamonga Cooler

Uncork Rancho's Finest!

The history and tradition of the Filippi winegrowing family continues and flourishes today with each new vintage as brothers Gino and Joseph 'J.P.' Filippi build upon over 84 years in the historic Cucamonga Valley.

Joseph Filippi Reserve wines are the result of a craftsmanship derived from tradition, passion, skill and artistry. The fourth-generation winery is establishing itself among California's finest producers, while remaining true to the family's heritage of excellence in Cucamonga Valley winemaking.

Rancho Cucamonga-grown and produced wines include Cabernet Franc, Merlot, Syrah, Alicante Bouschet, Mourvèdre, Zinfandel, plus aged sheries and specialty ports including the popular Fondante' Ciello 'chocolate'. The Filippi's also present vintages from Chateau Reynier and produce the ultra-premium "Deux Monde" (two-worlds) with French enologist Marc Lurton of the famous Lurton winemaking family of Bordeaux France.

Throughout the winery's spacious tasting areas, adult guests may sample reserve barrel-aged releases and award-winners, and purchase bottles available solely at the winery. A knowledgeable and wine-friendly staff offers you personal service. Shop from an expansive range of unique and elegant giftware, wine baskets, wine accessories and glassware, including such

novelty items as cabernet-scented candles, grape-inspired jewelry, winery logo apparel, tapestries, and many more tasteful home décor treasures.

Surround yourself with an aura of Old World ambiance as you mingle with other guests, chat with our courteous and informative staff, and experience the flavor and richness of the historic Cucamonga-Guasti area. Large bottles, custom wrappings, labels and wine shipping services are also available.

The winery is host to a wide variety of special events throughout the year including winemaker luncheons and dinners, cooking classes, barrel tastings and other unique winery-related festivities including good old harvest season grape-stomping. Bare feet required! Winery-preferred gourmet-catering services by local Executive Chefs including Henry Gonzalez from Spaggis in Upland and David De La Cruz of Saffron's at Guasti Villa are available to suit any occasion or celebration.

In keeping with the City of Rancho Cucamonga and Rancho Cucamonga Chamber of Commerce's commitment to honor its viticulture heritage, the ongoing preservation efforts of Gino and J.P. serves as a deserving tribute to the early vintner lineage that has made Rancho Cucamonga what it is today. Uncork Rancho's finest! 12467 Baseline Rd, Rancho Cucamonga, (909) 899-1236

PARKVIEW COMPOUNDING PHARMACY & MEDICAL SUPPLIES

"How You Feel Is The Essence of Your Life"

The practitioners at Parkview believe your pursuit of wellness is very personal. And one size does not fit all. That's why a relationship with us is special. We'll ask you how you feel. We'll listen. Then we'll act.

Our staff of compounding pharmacists and health professionals assist in promoting your health and managing your aging through the blend of natural Bio-Identical Hormones, fitness and holistic nutraceuticals. We custom make solutions for pain management that balances relief with daily functionality.

Often patients simply need medications tailored to them. A cream versus a tablet. Preservative or allergen free. Chocolate tasting versus... well, like medicine.

Parkview is place where personalized, custom-tailored medications are made. And your search for wellness respected.

We look forward to the opportunity to development a lasting, healthful relationship.
